How to Tame a **Monster**

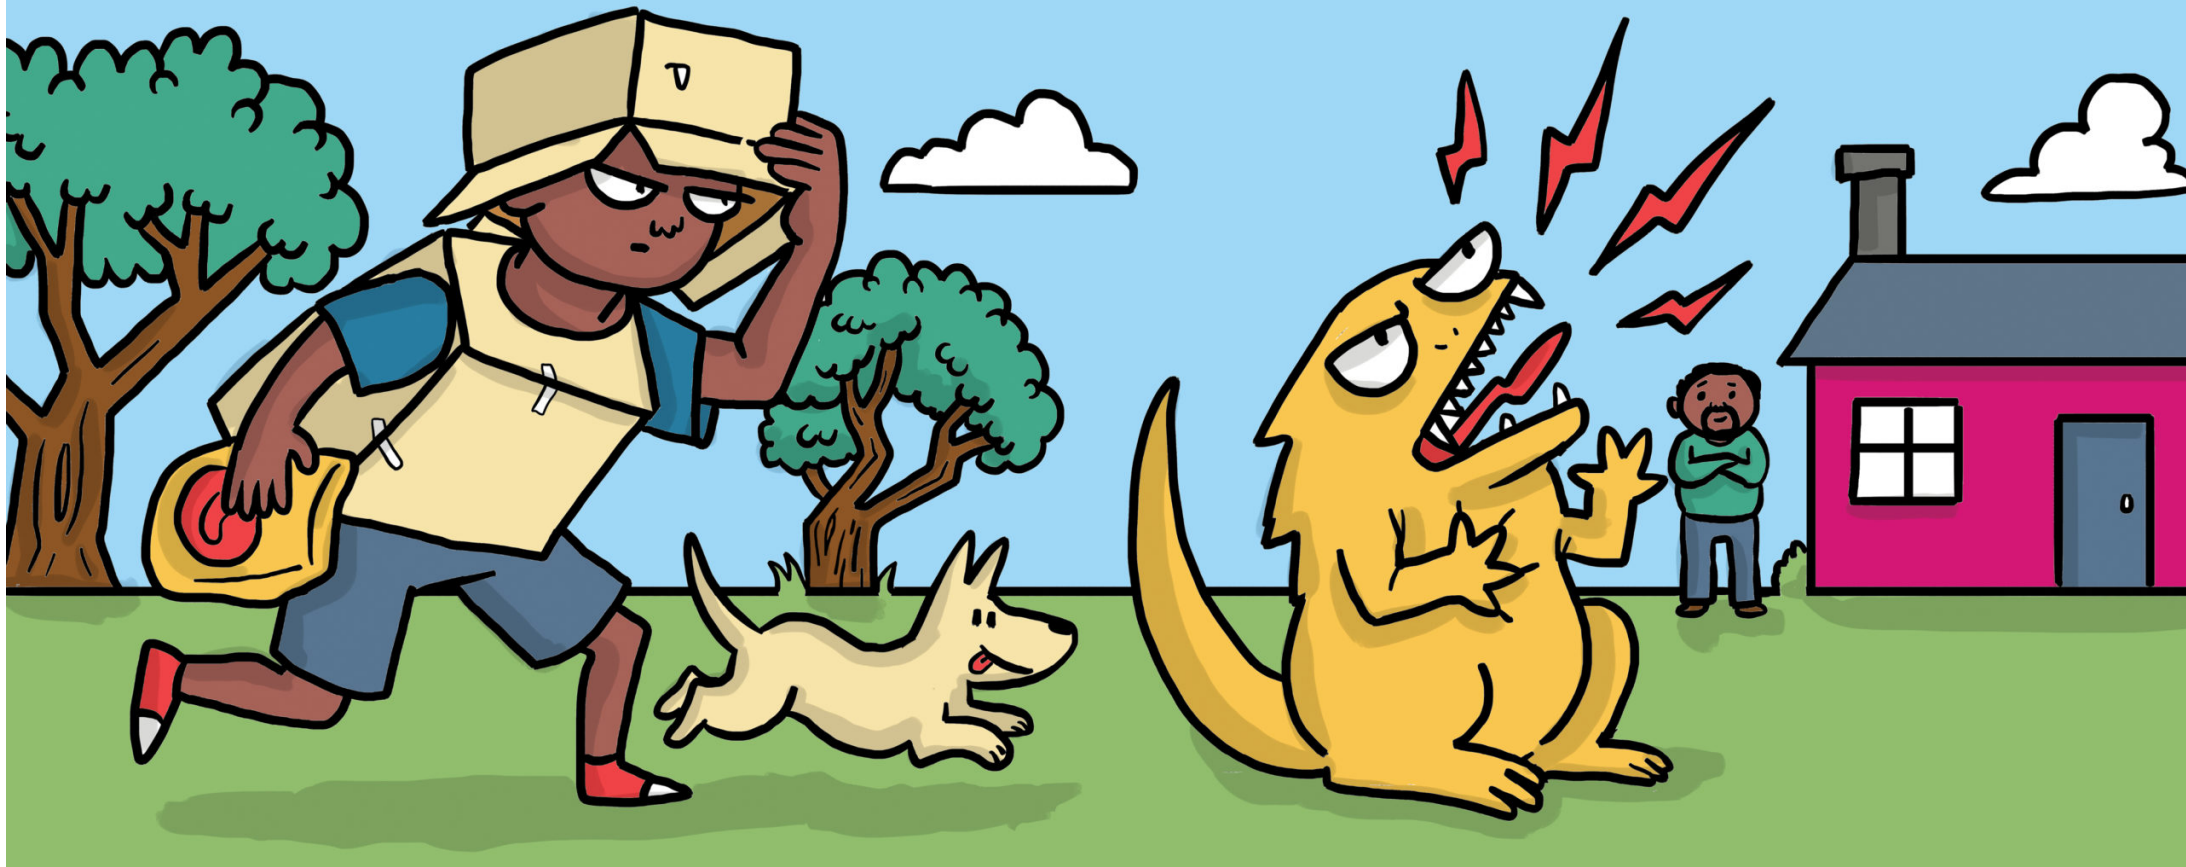

Lwando has a little sister named Oyiso.
Sometimes she is very cute.

But sometimes she turns into
a monster.

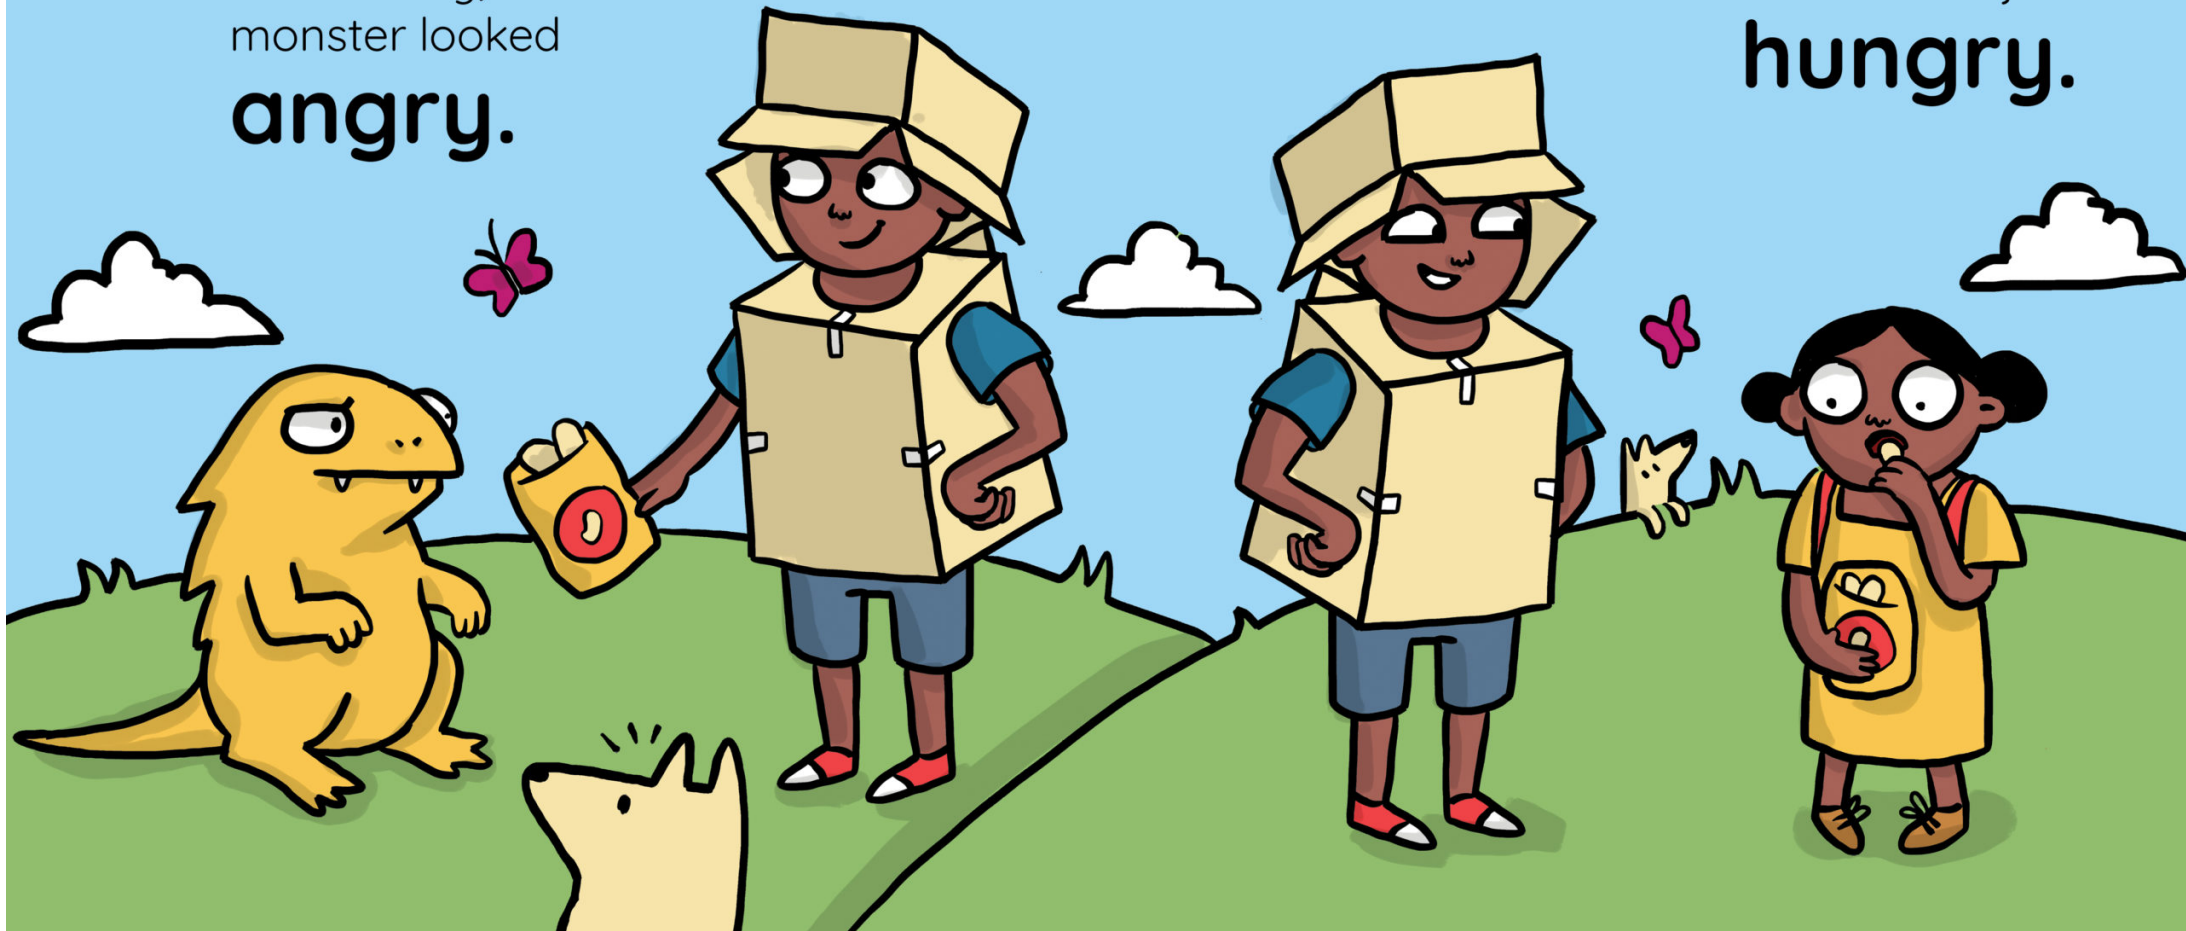

That's okay, because Lwando is a

monster tamer.

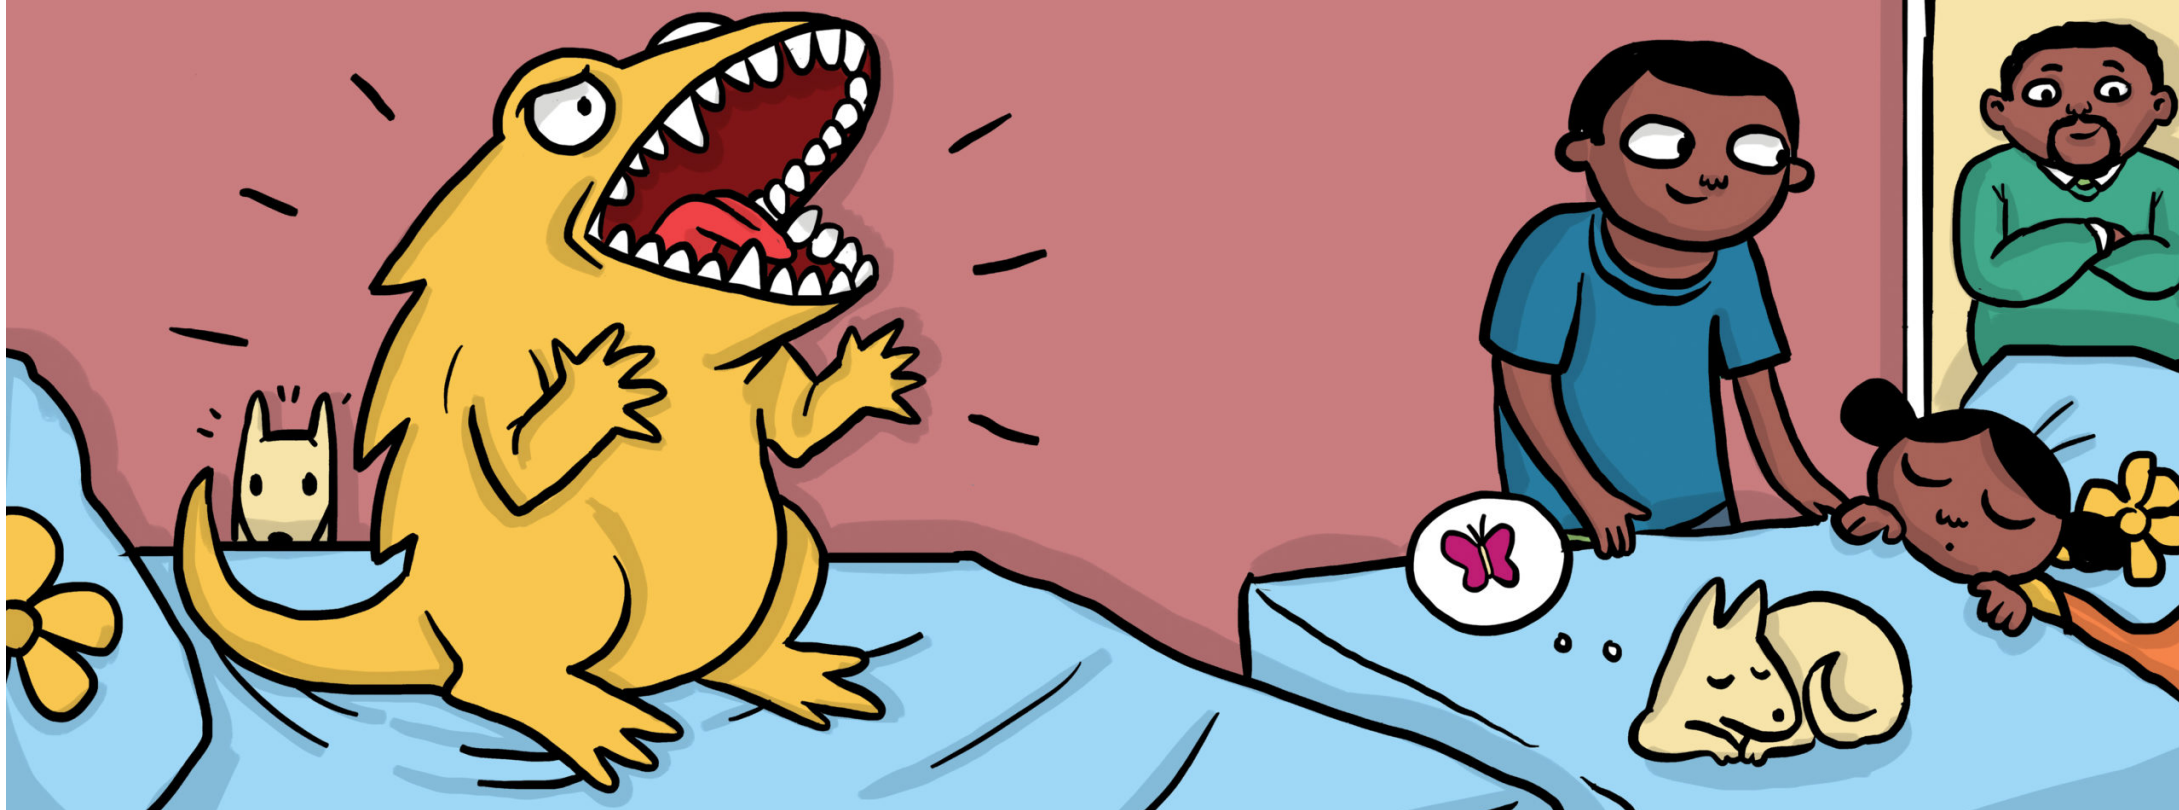

On Monday, the
monster looked
angry.

But Lwando knew she was just
hungry.

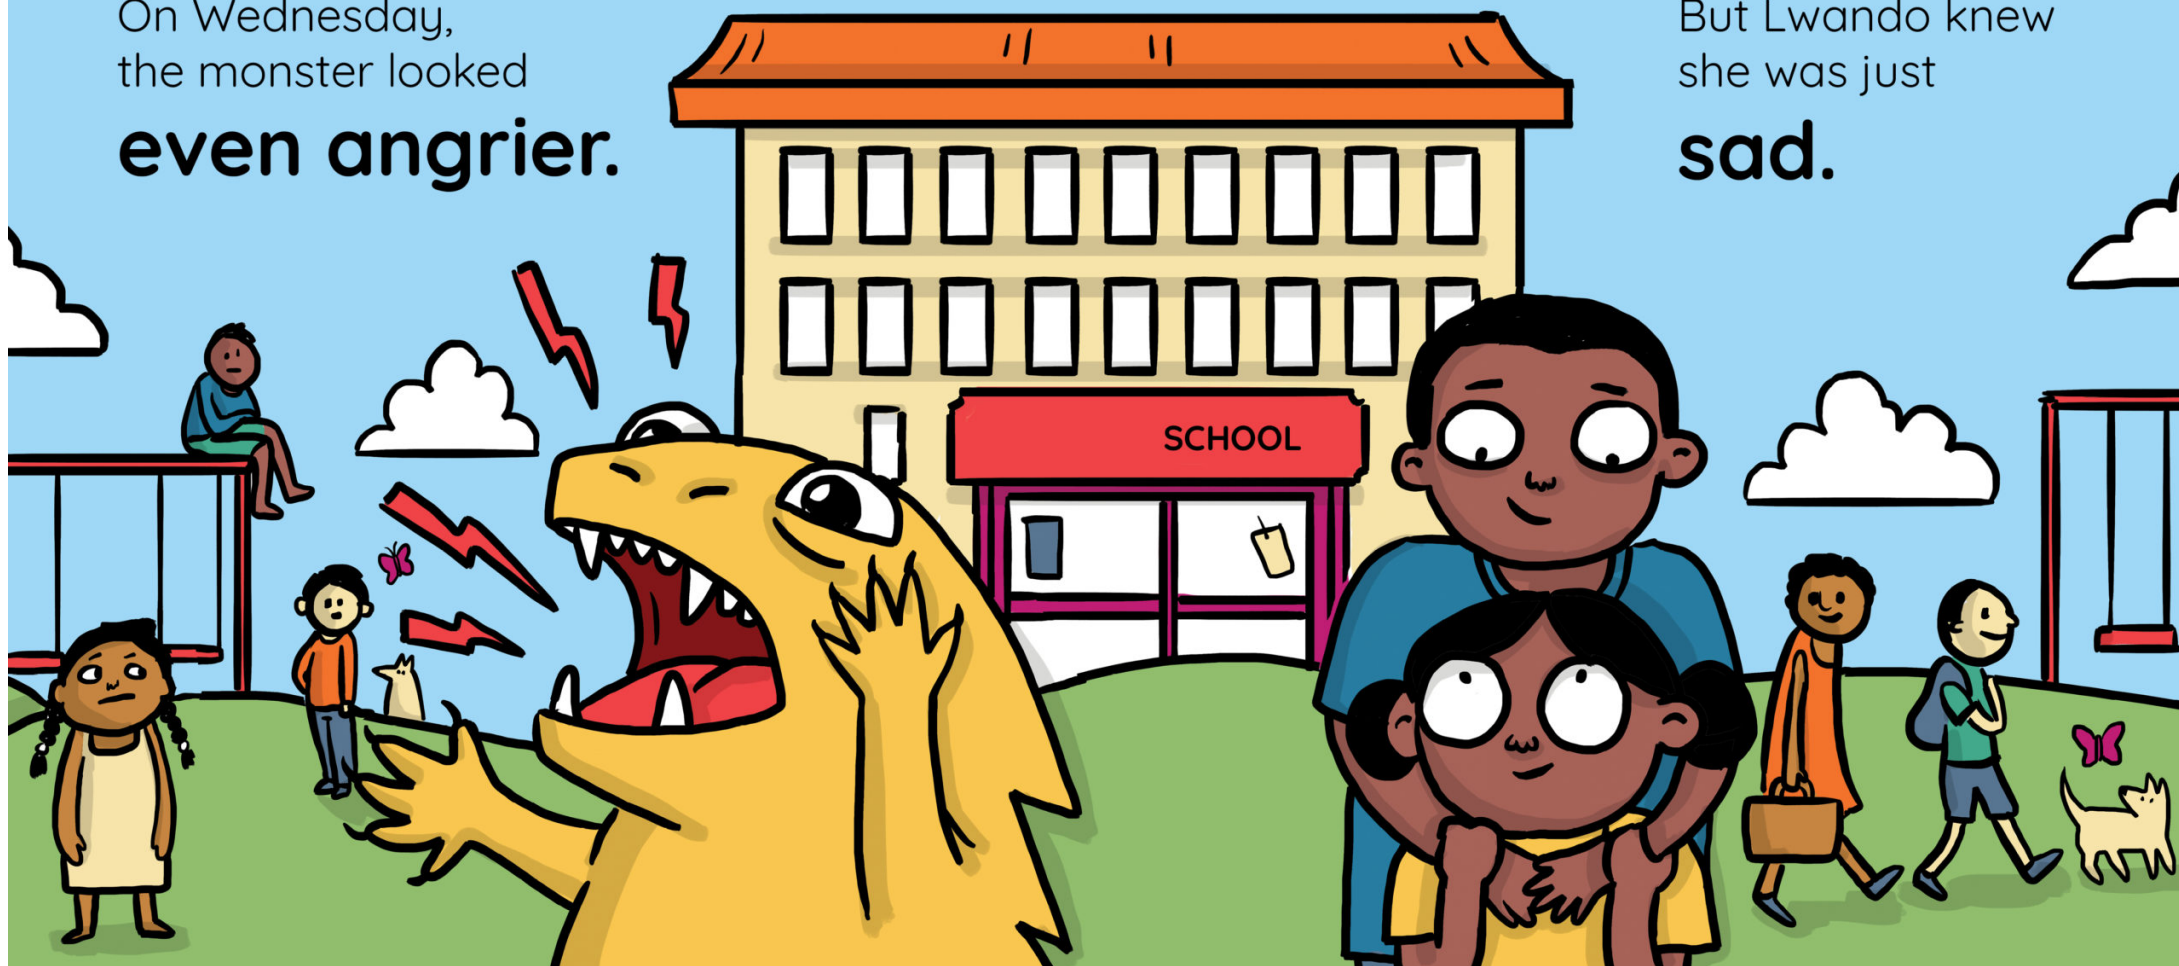

On Tuesday, the monster looked
very angry.

But Lwando knew she was just
tired.

On Wednesday,
the monster looked
even angrier.

But Lwando knew
she was just
sad.

But on Friday,
nothing worked.

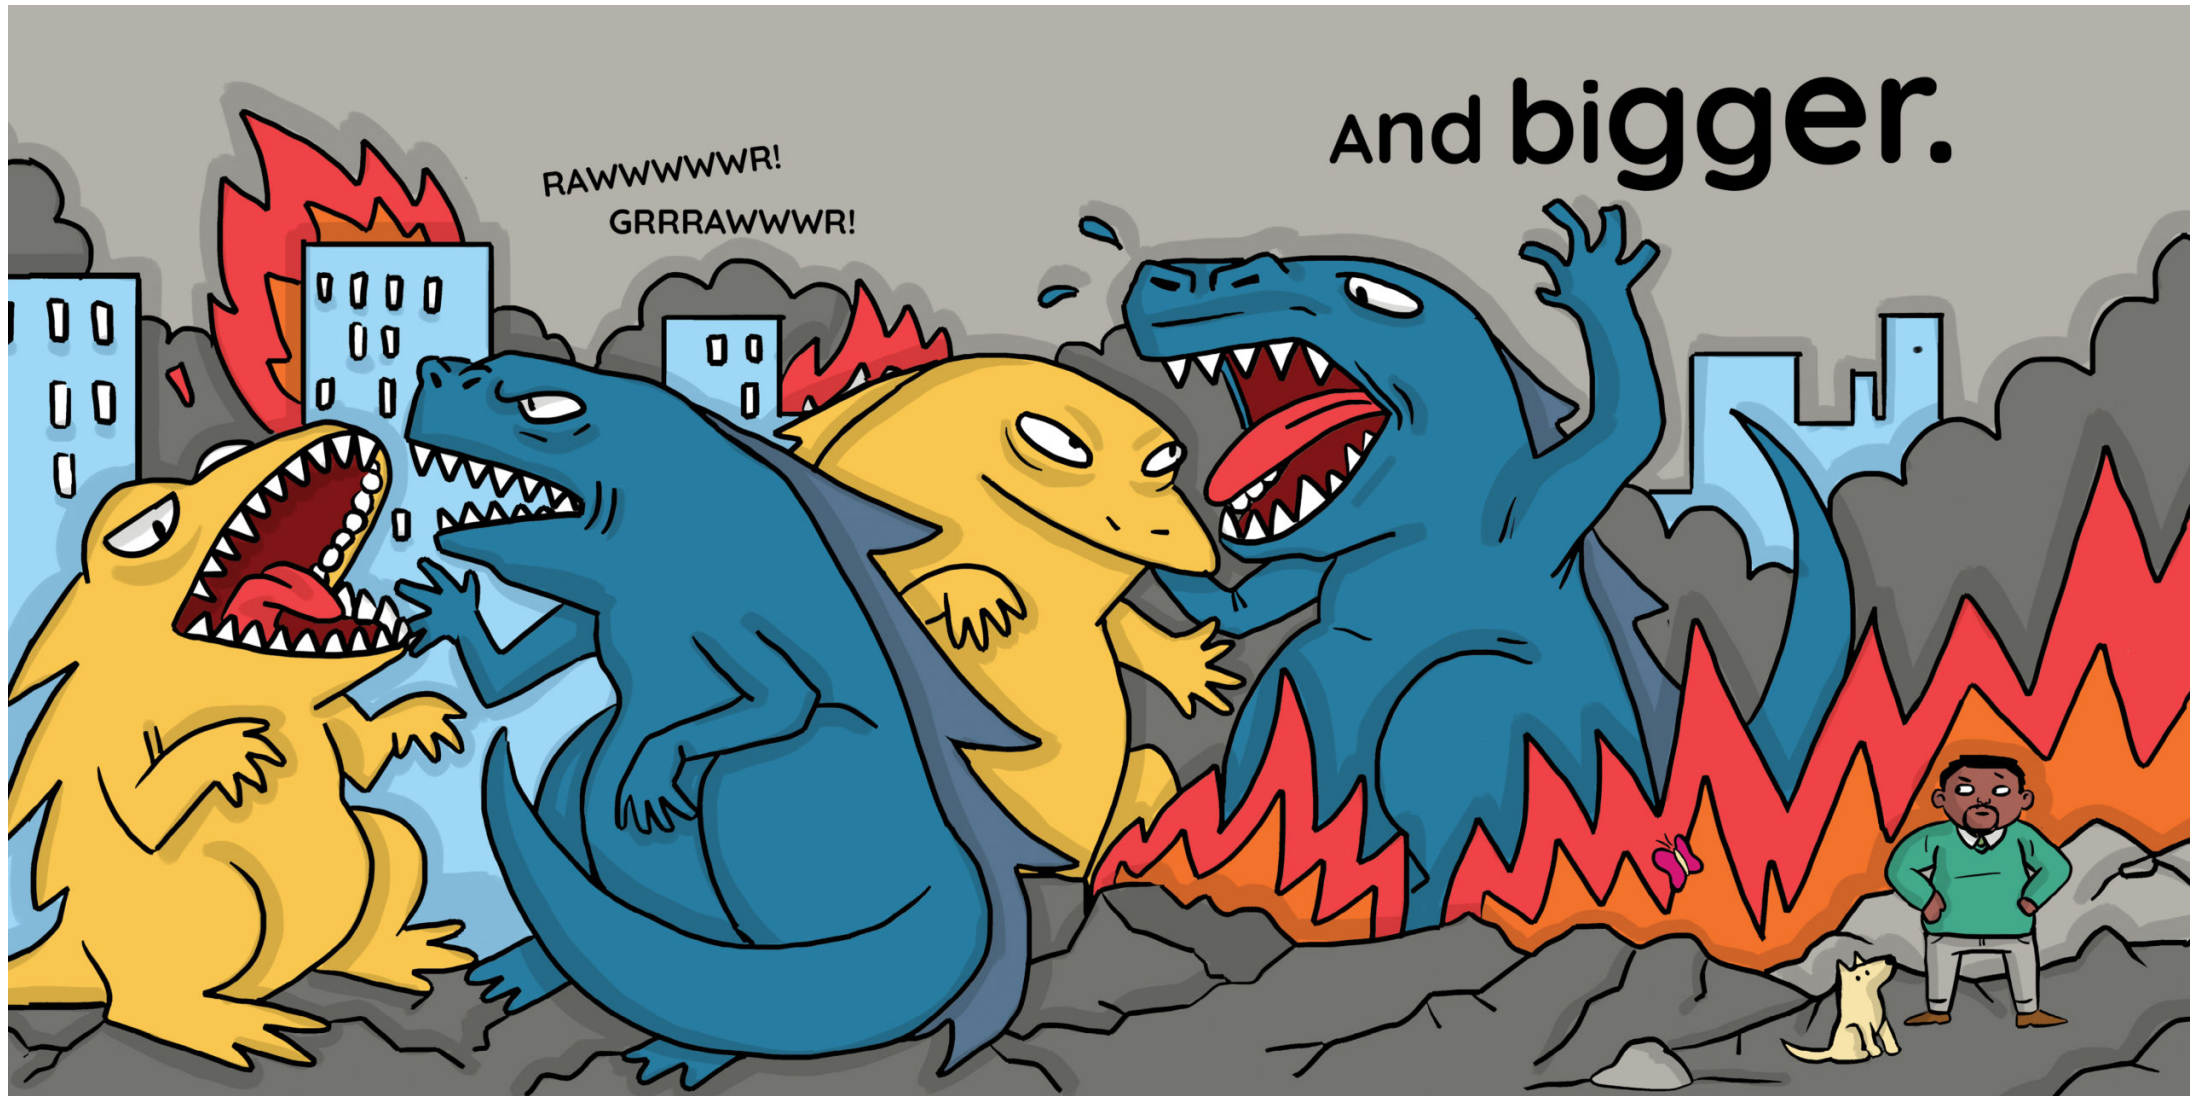

Then there were **two** monsters.

The monsters got **bigger.**

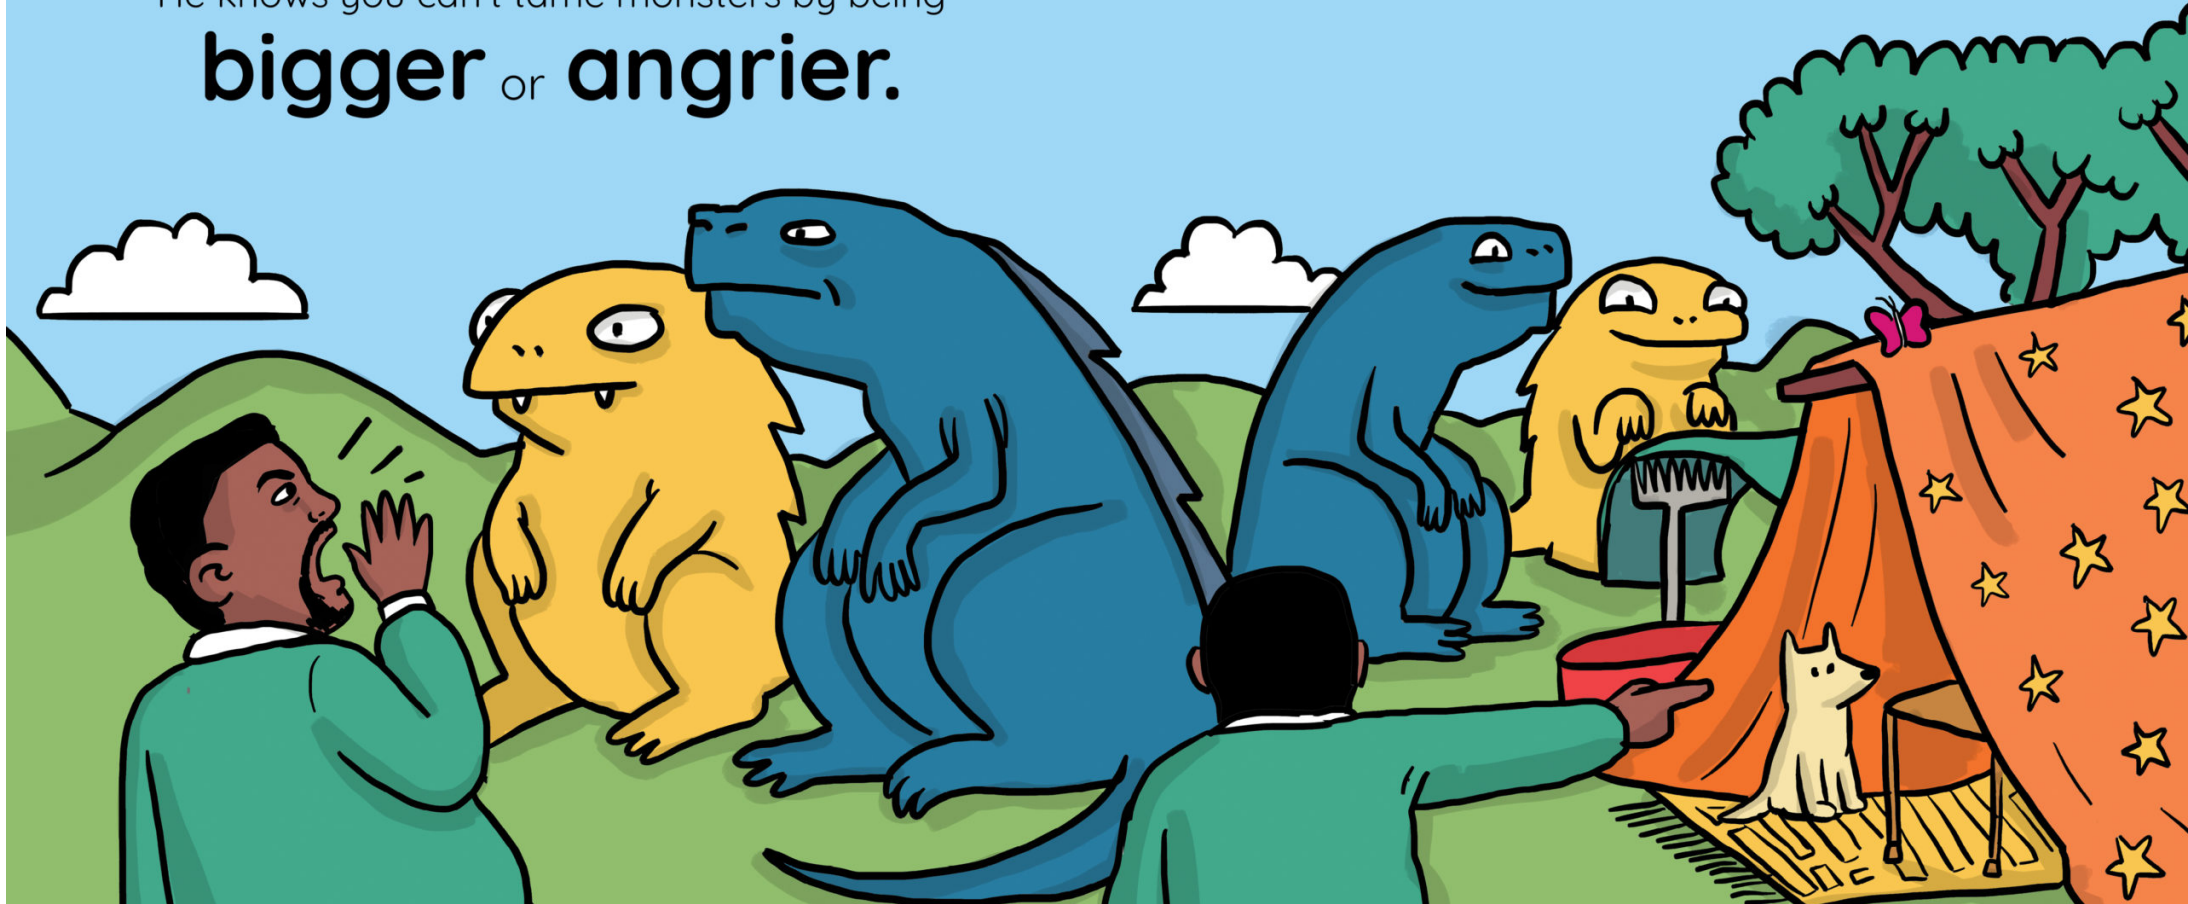

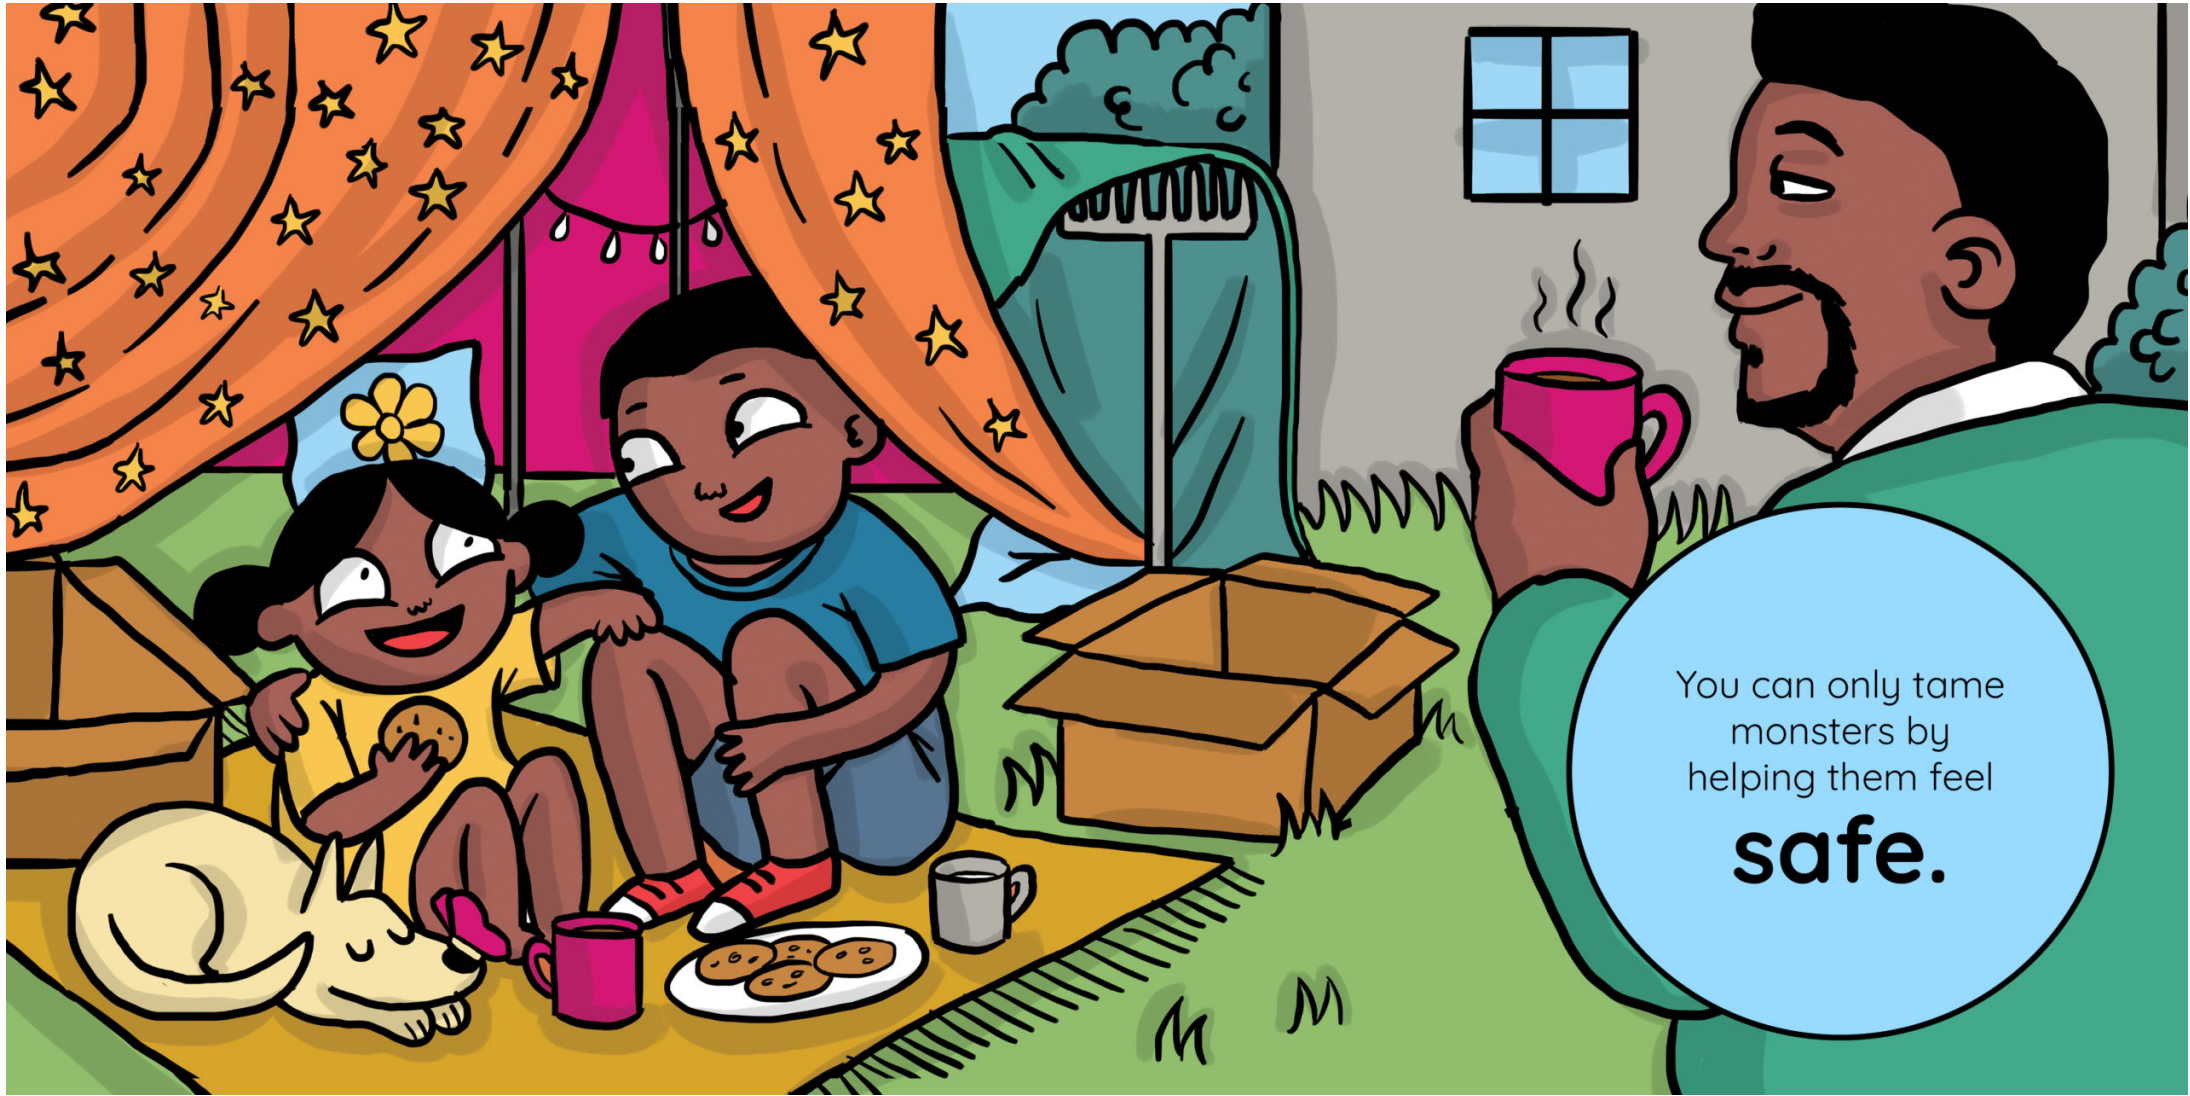

And bigger.

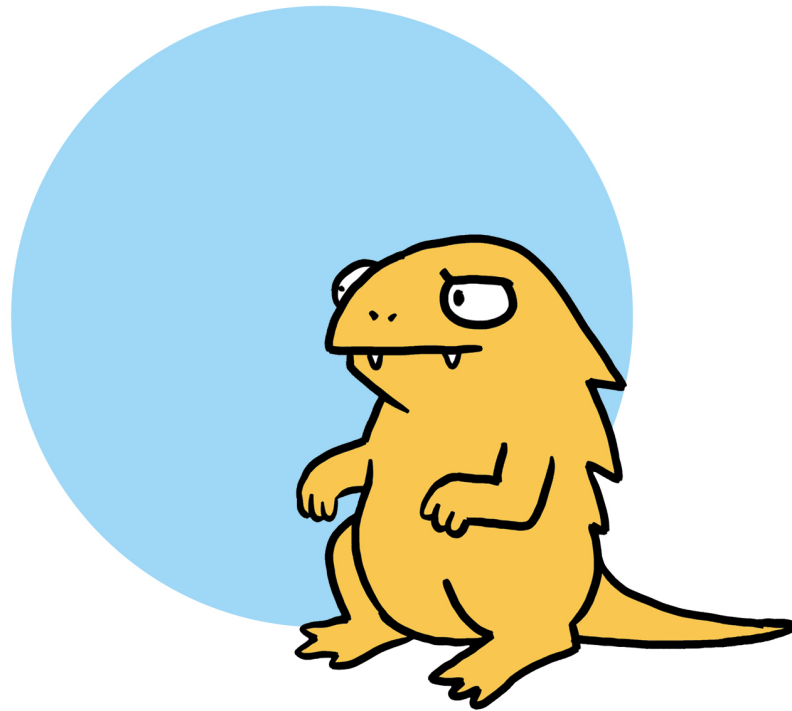

Luckily, Dad is the best monster tamer of all.
He knows you can't tame monsters by being

bigger or **angrier**.

You can only tame
monsters by
helping them feel
safe.
