

Jock and Me

Jock is an old dog.

His ears are floppy.

His legs are bendy.

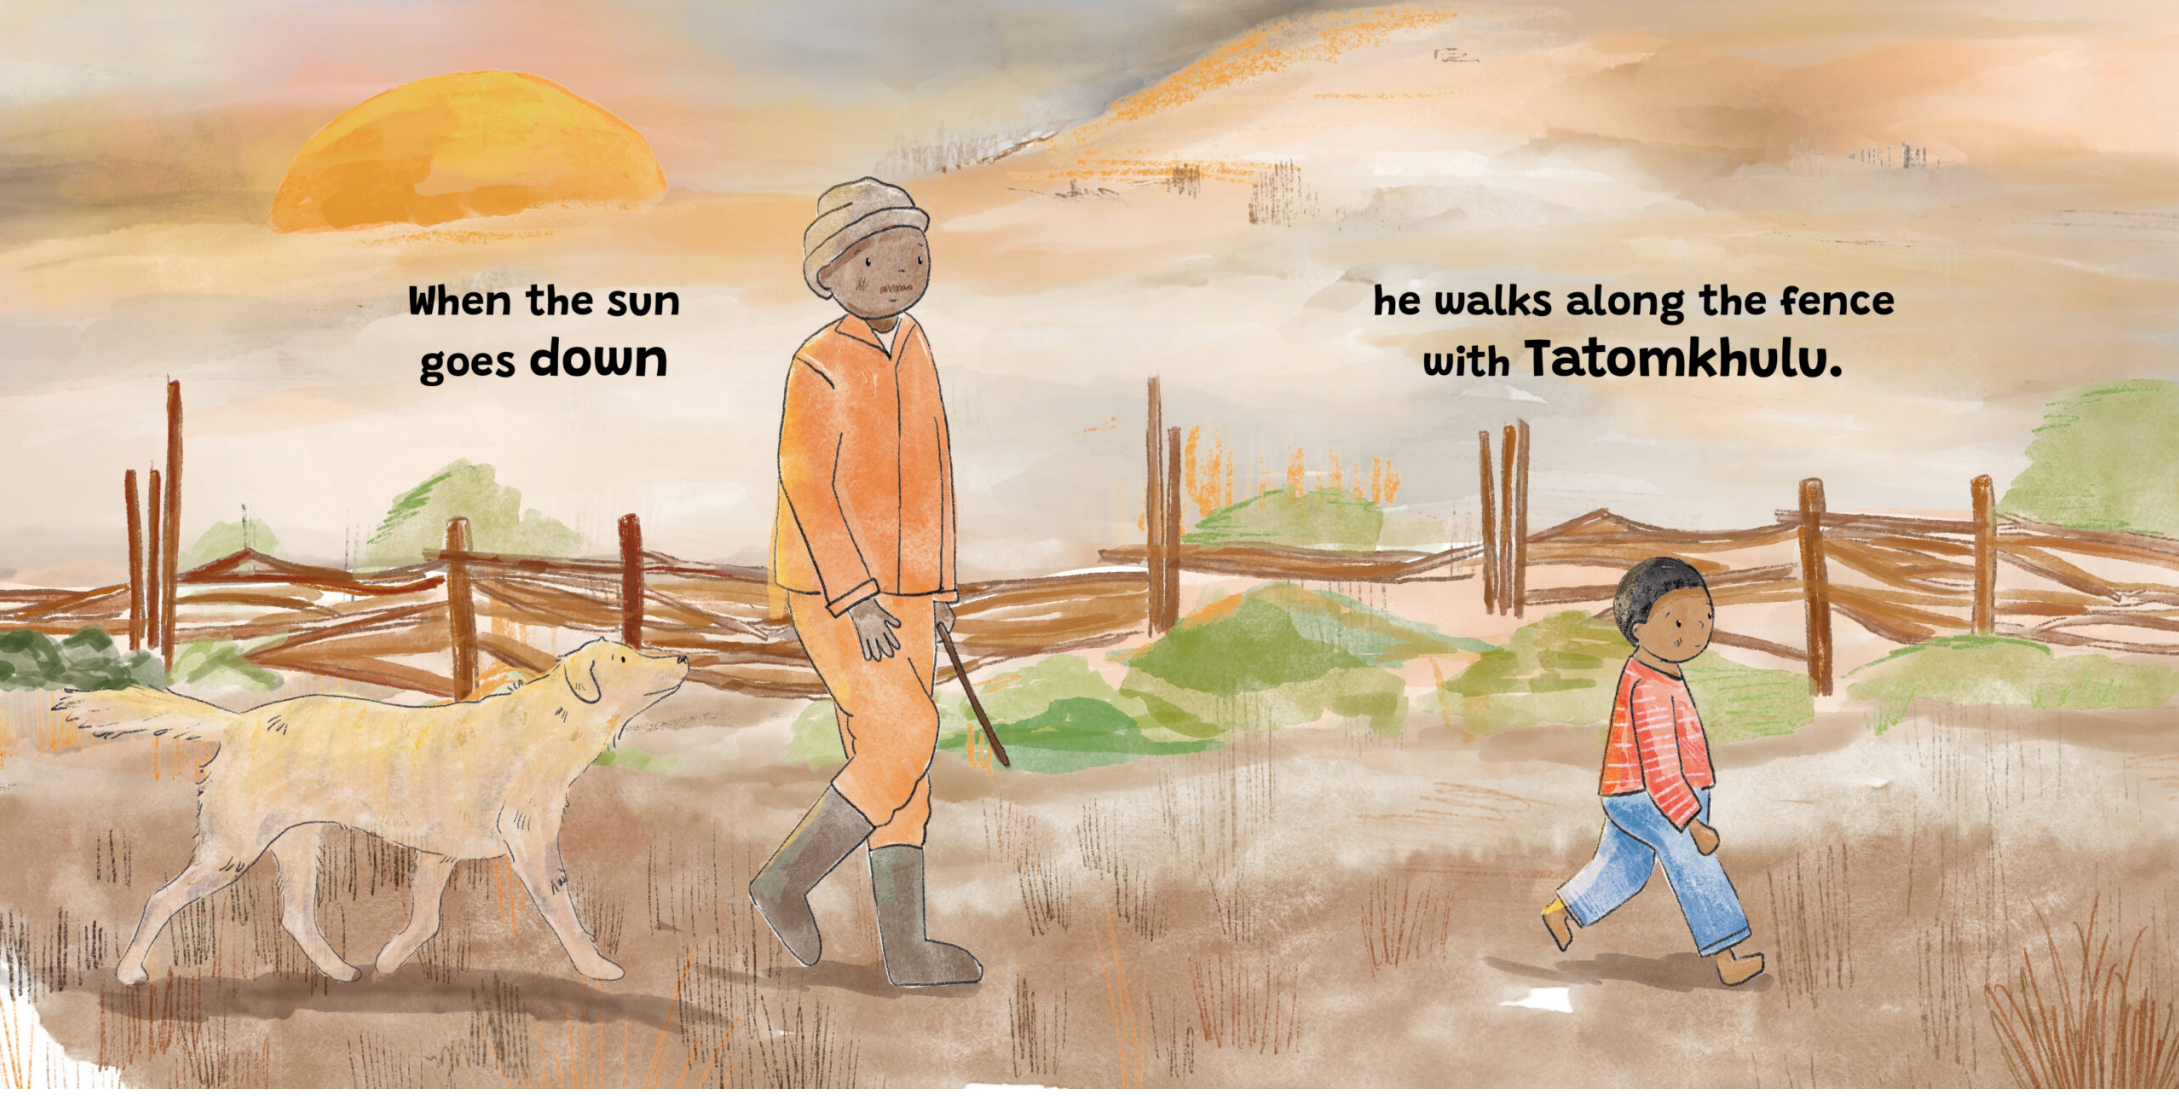

His eyes are cloudy.

But he still runs fast!

And his smile is wide.

A watercolor illustration depicting a scene at sunset. In the center, a man wearing an orange jumpsuit, a grey beanie, and black boots walks towards the right, holding a dark stick. To his left, a light-colored dog walks alongside him. To the right of the man, a young boy in a red and white striped shirt and blue pants walks in the same direction. They are walking on a dirt path next to a rustic wooden fence. The background features rolling hills under a large, bright orange sun that is partially obscured by soft, hazy clouds. The overall mood is peaceful and contemplative.

**When the sun
goes down**

**he walks along the fence
with Tatomkhulu.**

**They
greet their
friends.**

They count the sheep.

They check the gates.

Jock sleeps outside.
When it rains, he sleeps
under the bakkie.

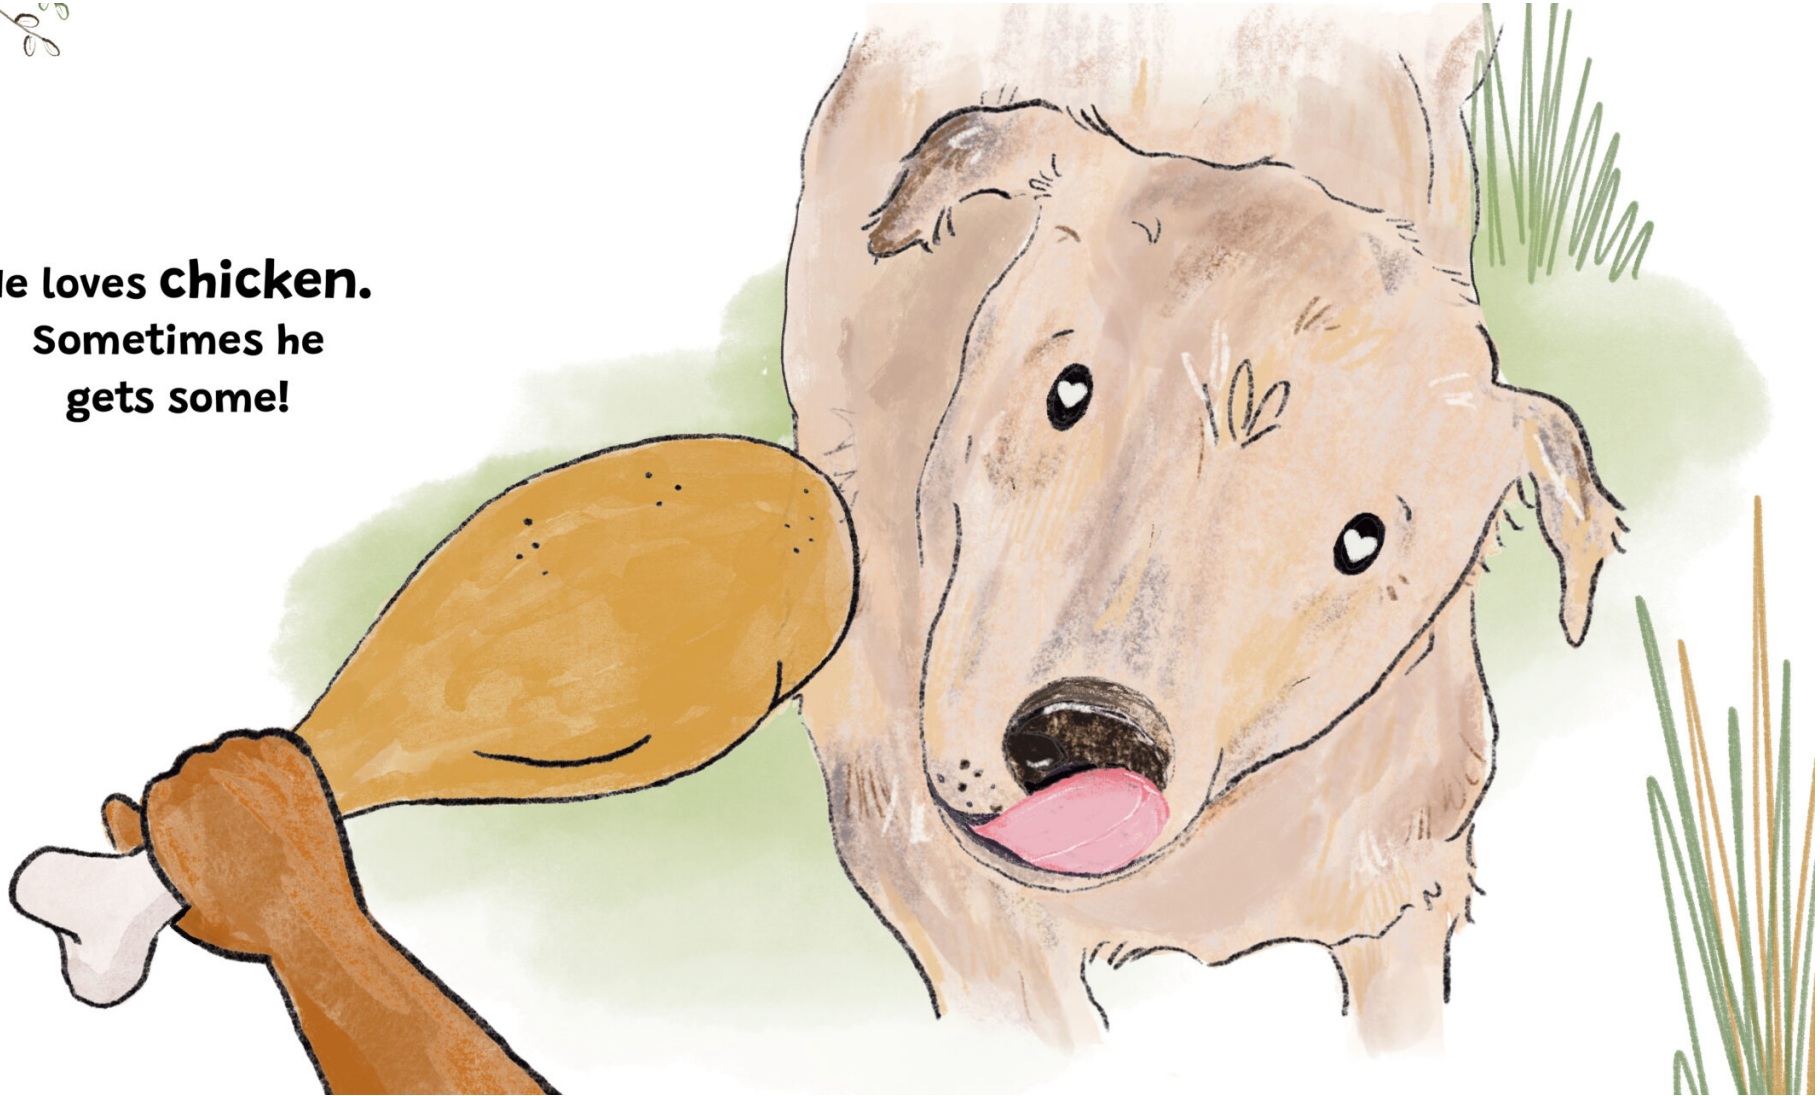

**He loves
Tatomkhulu.**

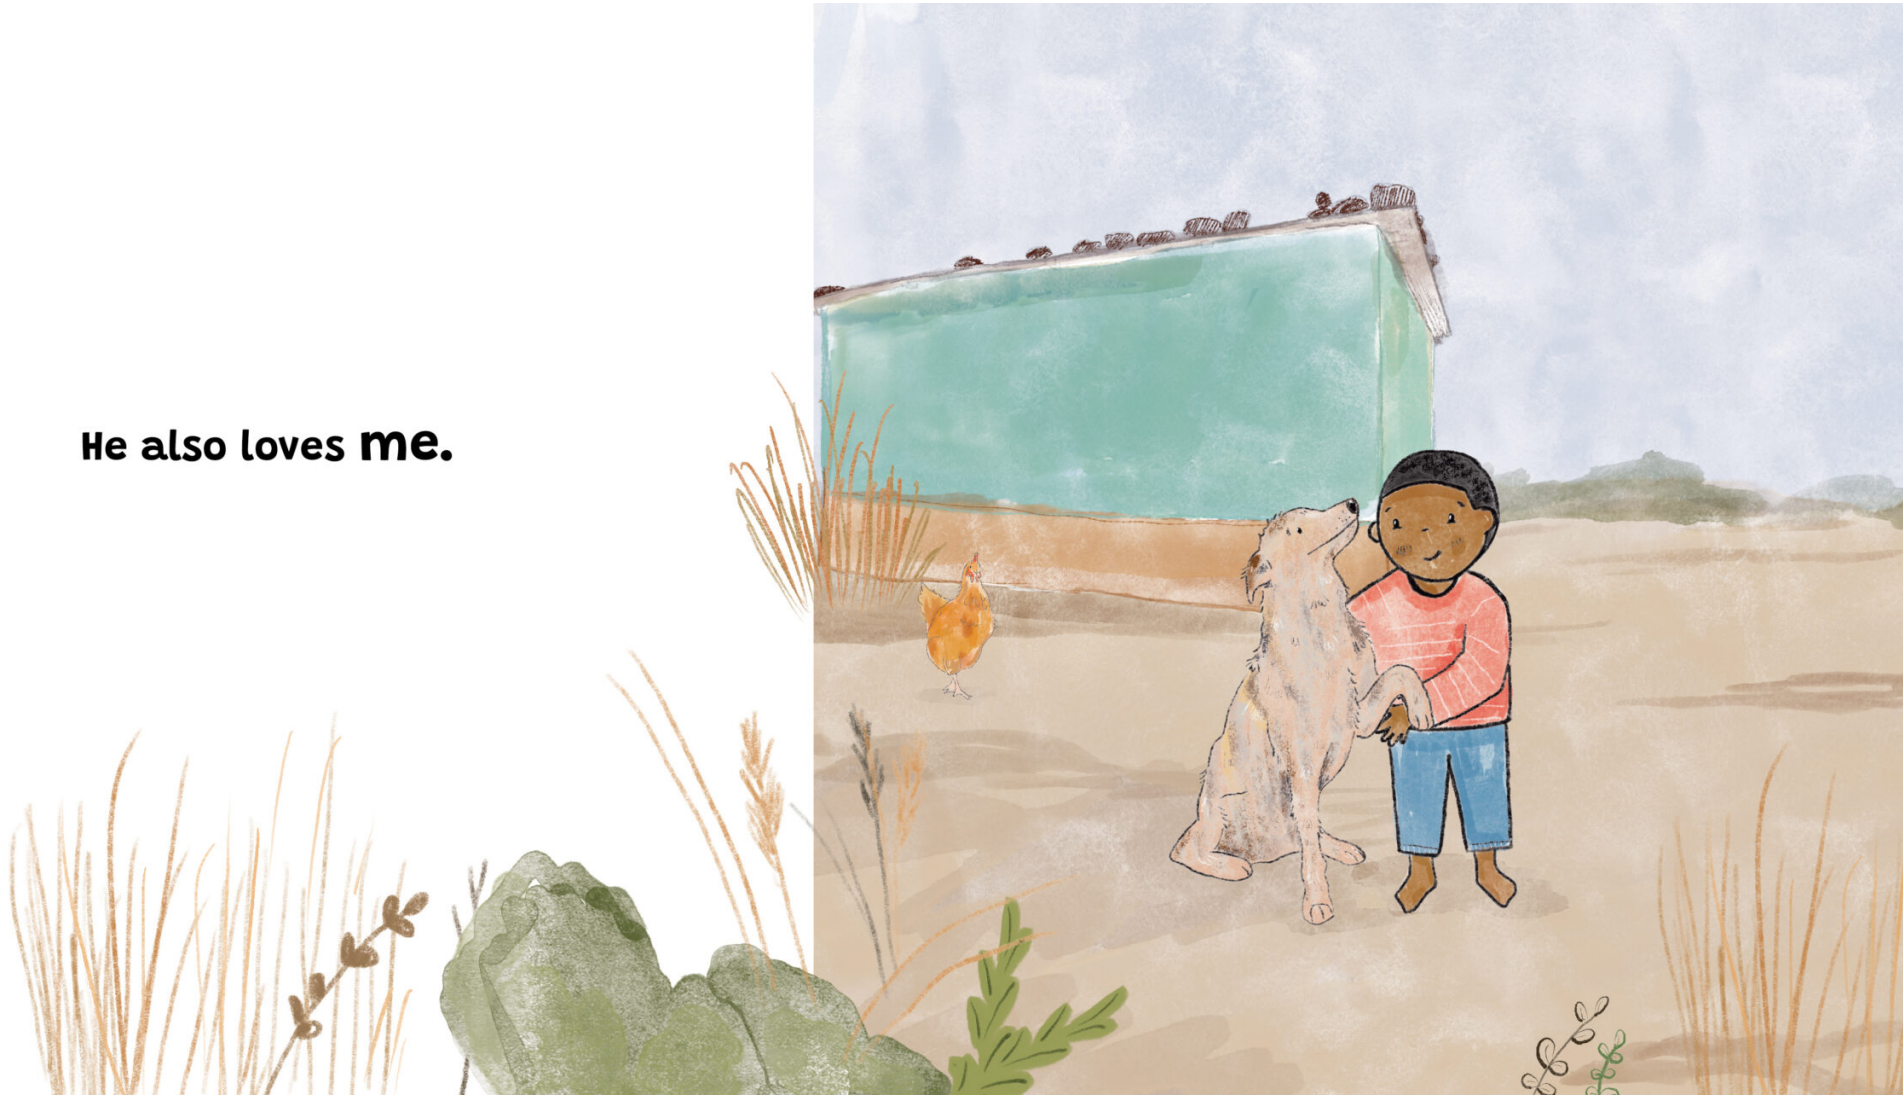

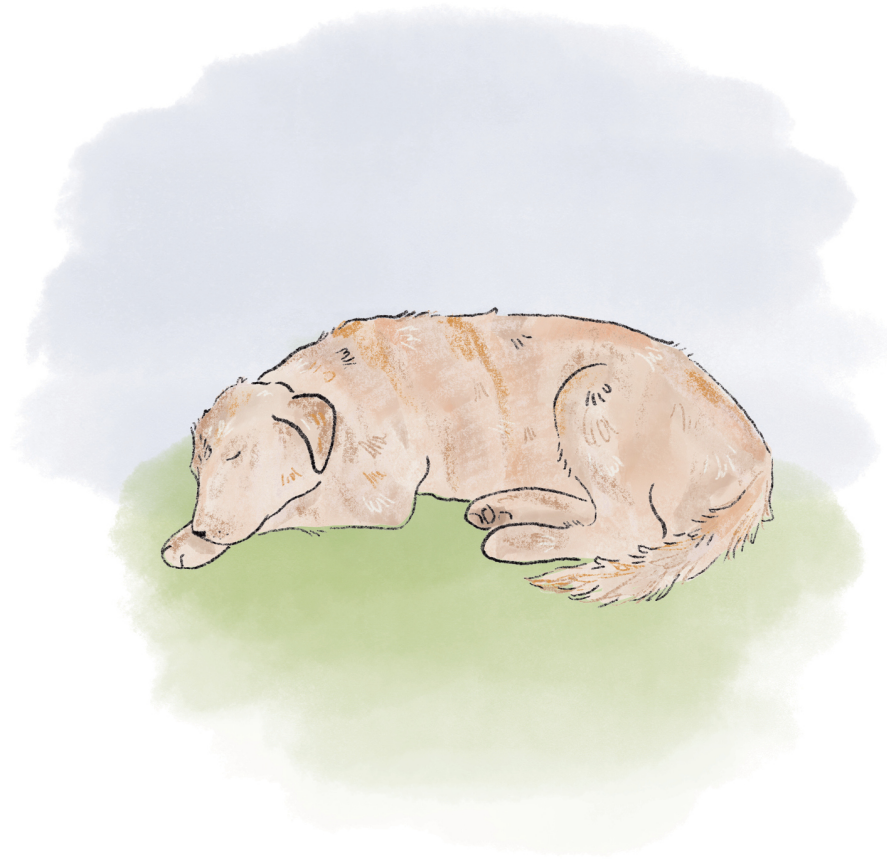

**He loves chicken.
Sometimes he
gets some!**

He also loves me.
