There's an alien in my house...
We are under attack!

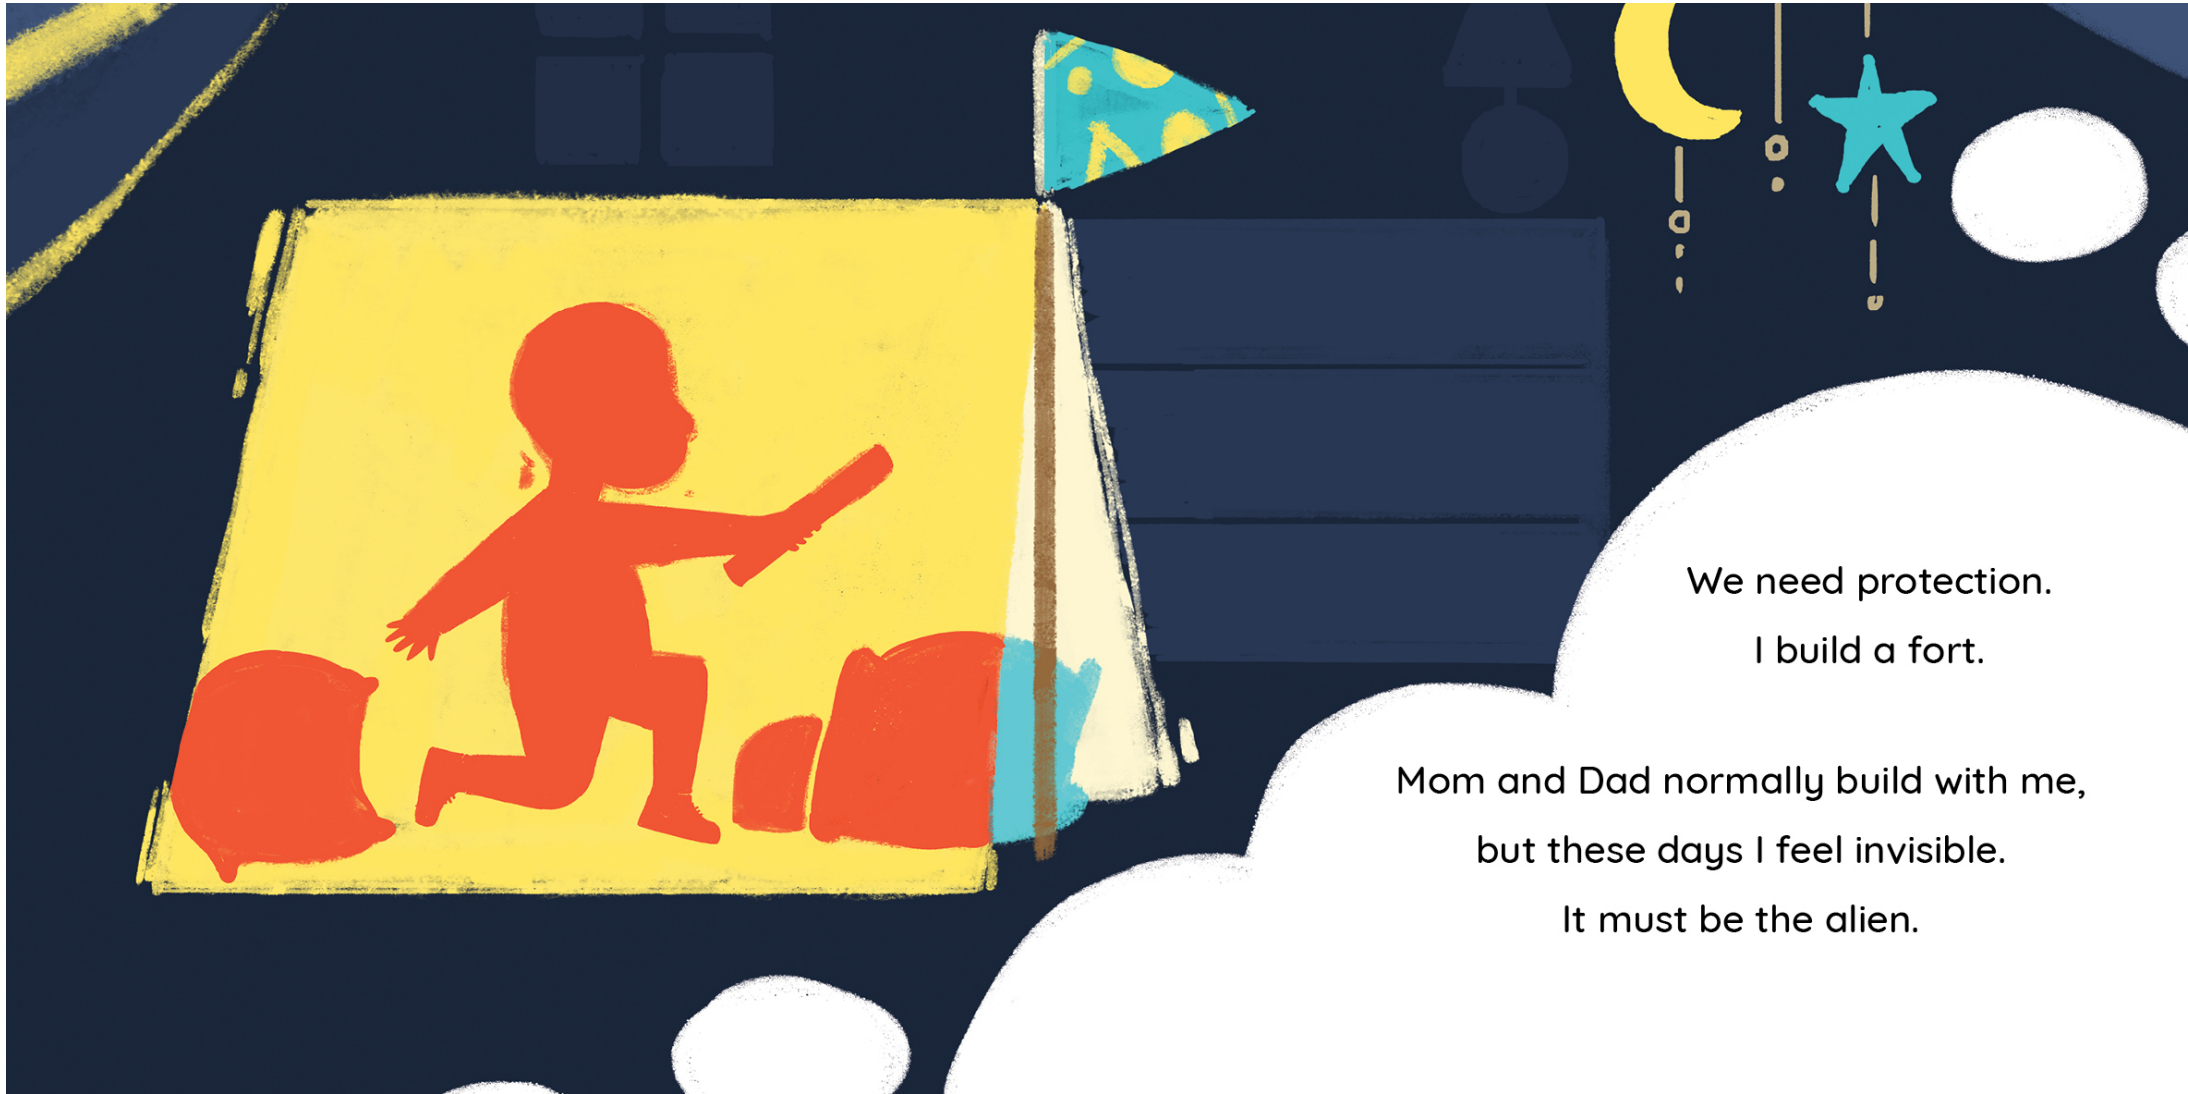

The walls are changing colour.
It must be the alien.
The air is getting warmer.
It must be the alien.

Strangers keep coming.
It must be the alien.

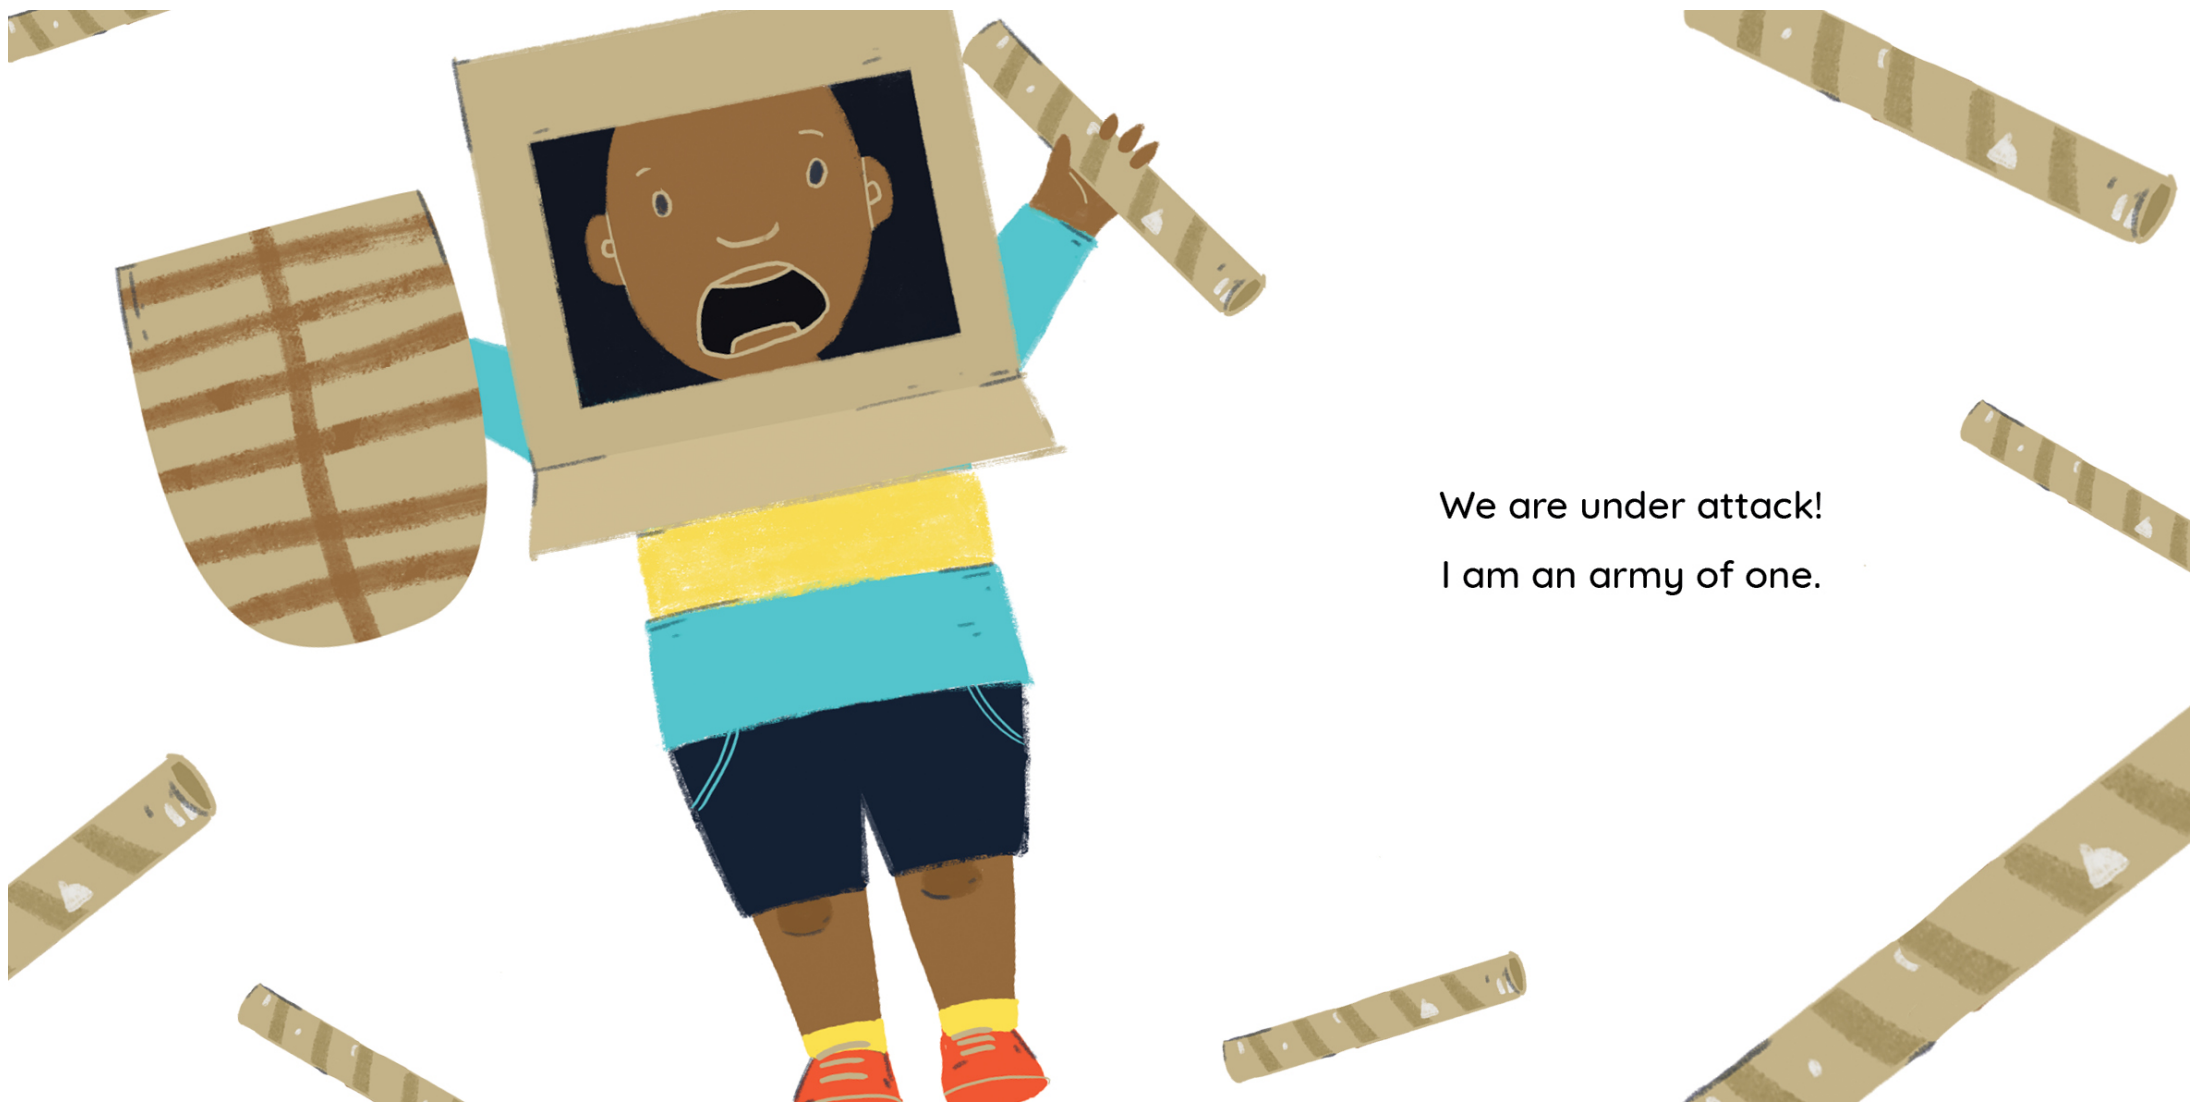

We need protection.
I build a fort.

Mom and Dad normally build with me,
but these days I feel invisible.
It must be the alien.

A child with brown skin is lying in bed, looking awake. They are wearing a yellow shirt and are partially covered by a blue blanket with yellow stars and red crescent moons. The bed has a blue pillow and a yellow headboard. On the wall above the bed, there are several yellow crescent moons and blue stars hanging from thin lines, some with small circles at the end. The text "I hear a weird noise in the middle of the night." is written in a curved path above the child's head.

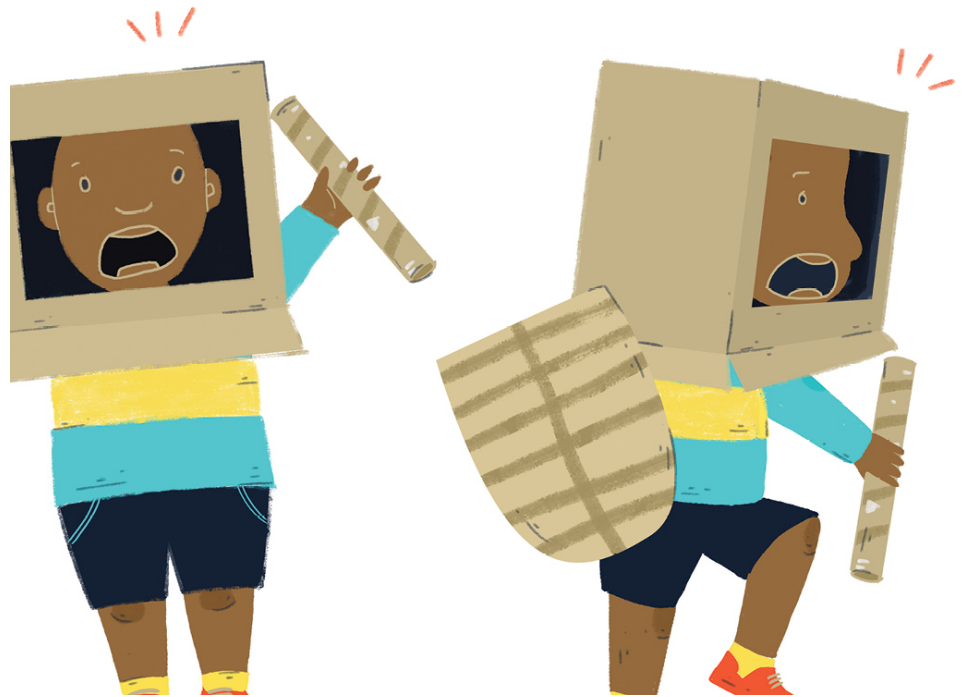

I hear a weird noise in the middle of the night.

It must be the alien.

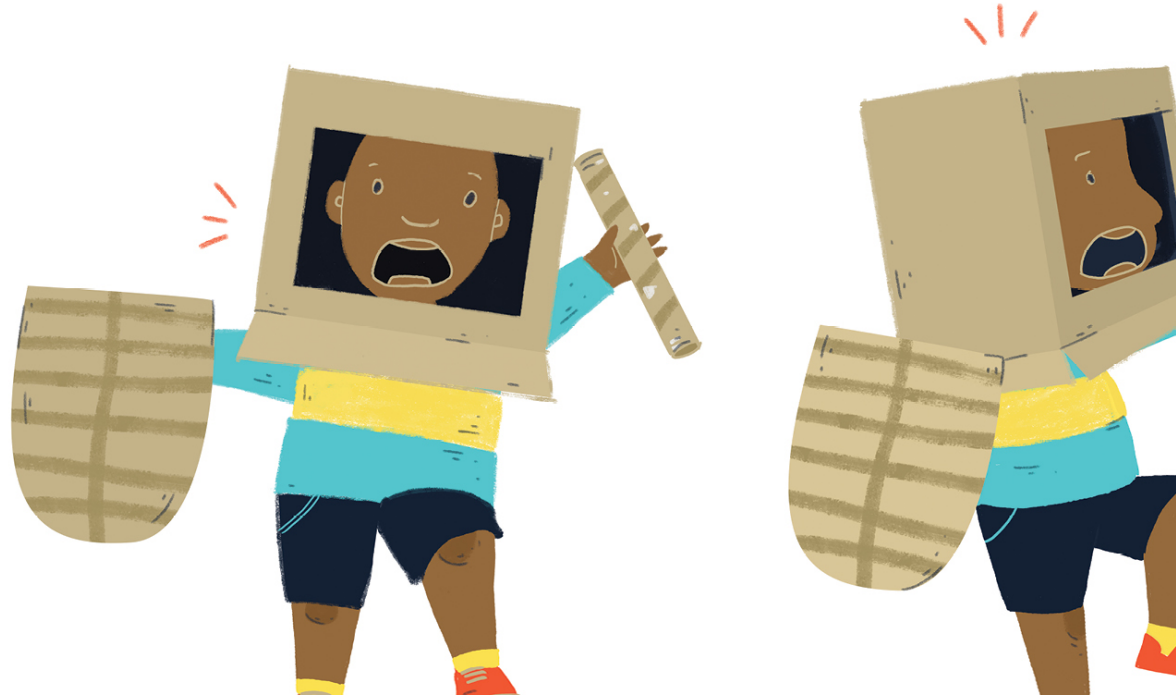

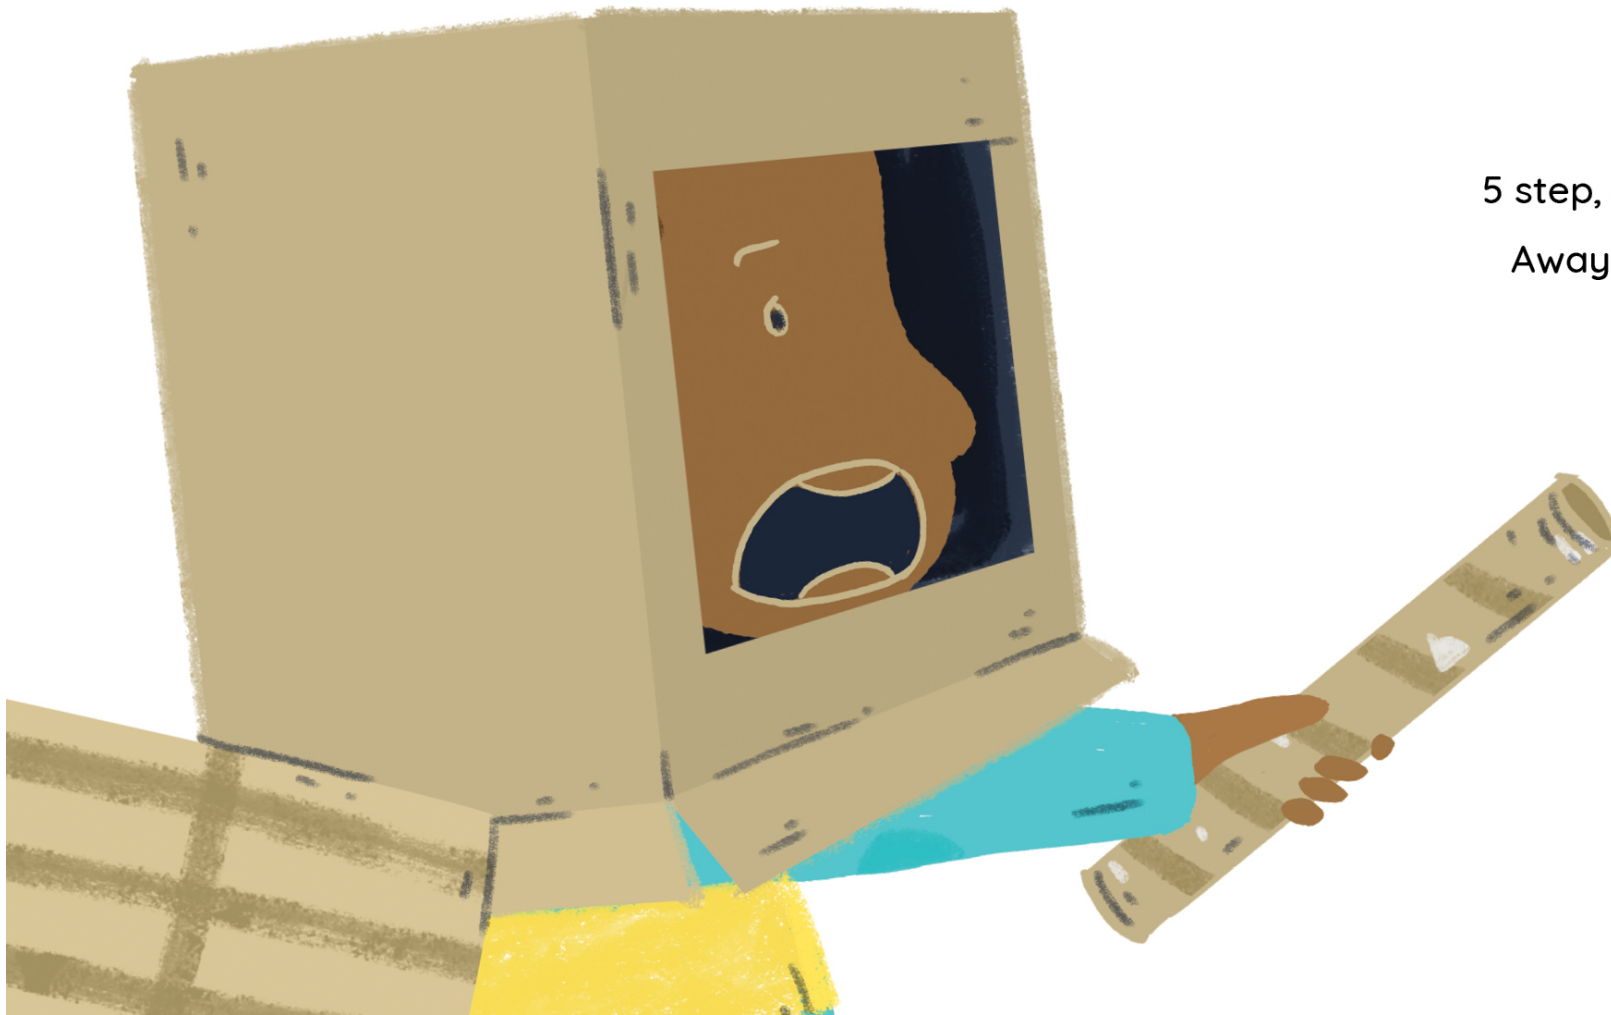

We are under attack!
I am an army of one.

1 step, 2 step...
I am the army.

3 step, 4 step...
Ready for battle.

5 step, 6 step...

Away with you, alien!

7 step, 8 step...
I get closer.

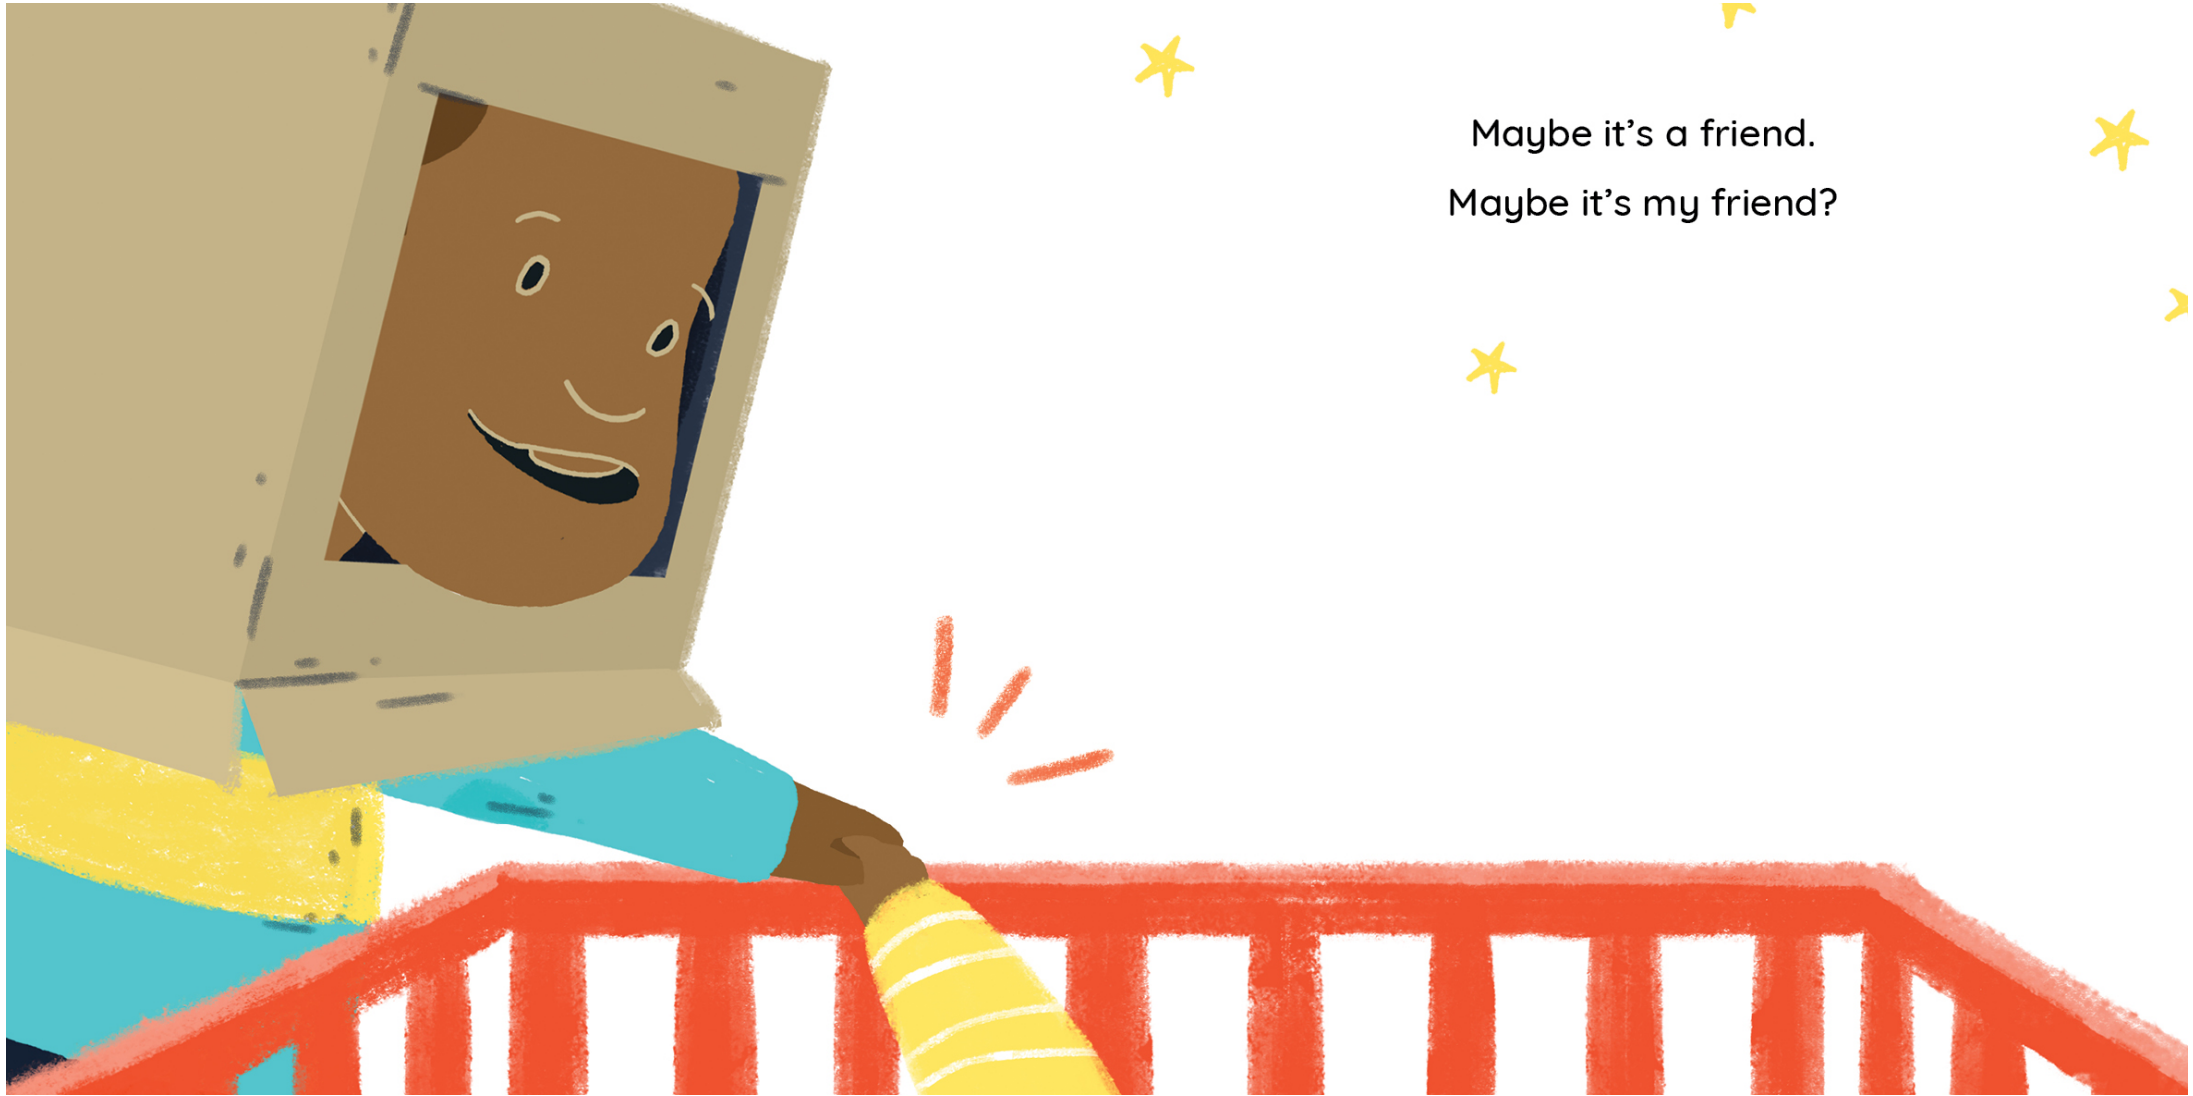

9 step, 10 step...
I am by its head.

Woah! I get a fright.
It is tiny and it...

...looks like me?!
How can that be?
Is it really an alien?

Maybe it's a friend.
Maybe it's my friend?

1 step, 2 step...
We are now an army of two.

There's an alien in my house!
